# ADVENTURE PARK

## TYINY® A BRAND WHICH EMERGE IN A GOOD CONTEXT'

CREATED IN 2018, TYINY IS A BRAND PART OF THE GROUP CONTEXT LOCATED IN CHAMBON FEUGEROLLES IN LOIRE AND FOUNDED IN 2000.

TYINY® enjoy of expertise and experience of CONTEXT in making foam products and technical fabrics.

TYINY® suggests to professional people of sports, mountain and leisure a complete range of equipments and protection.

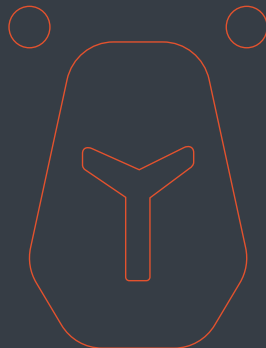

Whole TYINY's products are designed and made in France in the production area CONTEXT, specialized in welding and industrial stitching.

### OUR VALUES

## TYINY® THE STRENGTH OF THE NATURE

### CREATYVITY

— Show the path instead of following tracks. With all our strengths.

### REALITY

— Only suggest you best product to best price. No more. No less.

### REACTIVITY

— Offer you the best service in record time. Sky is the limit.

### HUMILITY

— Put your satisfaction at the heart of our concerns. With all goodwill.

# PROTECTION OF SPORTS AREAS AND LEISURE, GUARANTEE SECURITY.

Thanks to its exclusive tailor-made in the work of foam and technical fabric and to its experience in the domain of protection of sport areas and leisure, TYNY has developed a wide range of protections and units in foam to equip and diversify with treetop adventure course.

Our customers feedbacks accumulated during all of these years has allowed us to suggest products which insure the highest level of **security** and **comfort** to your clients.

Our desire ? Gather all standards of the profession to the best value for money and on time.

Our satisfaction ? Bring, according to your needs, the best adapted solutions and together, guarantee the success of your projects.

# TYYNY®, THE CLAW OF HIGH LEVEL

TYYNY in Finnish means  
"pillow". But for you  
it means overall

PROTECTION AND LAYOUT OF YOUR  
SPORTS AND LEISURES SPACES

But why choose a bear to represent  
our brand ? Because we love its quiet  
strength without any doubt.

But mainly because we deploy an energy  
and a demand to bring you the products  
of protection and layout the most  
efficient and perform of the market.

---

## OUR LEITMOTIF ?

Guarantee you the highest level of  
security and quality of your skiing  
area. With TYYNY as pillow, something's  
sure ; you could sleep tight !
